GRACE YOO

FOR LA CITY COUNCIL 2020

"I am running for City Council because I believe elected officials should listen to the community and work in the best interest of the people. I am not a career politician. I am a community advocate and attorney who has dedicated my life to standing up for children and communities that are too often neglected. My top priority will always be public safety. The first issue I will work on is homelessness and affordable housing."

-GRACE YOO, ESQ.

Grace is an experienced problem solver, not a career politician.

“We were totally taken aback by that,” said Sen. Jenny Oropeza, D-Redondo Beach, who has lobbied to bring the Green Line to LAX. “The start date is moved back three years. That’s troubling. We’re going to fix that.”
